

Arcalyst[®]
(rilonacept) For Injection

INJECTION TRACKER

**Keep a record
of your treatment**

Log the date and site of your injections

Refer to the illustration at right for approved injection sites.

TRACKING YOUR INJECTIONS

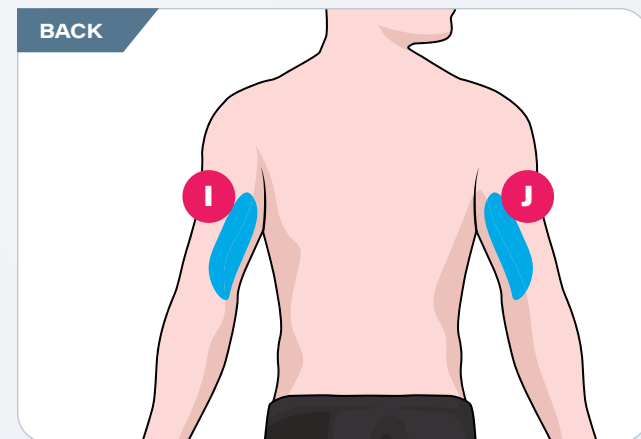

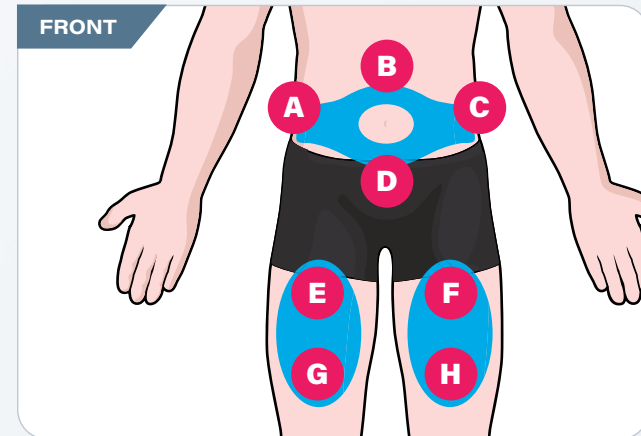

After your injection, record the month and day.

Use the illustration at right to determine your injection site. Record the letter in the "Injection Site" column.

DATE	05 - 23	INJECTION SITE
NOTES		C
DATE	05 - 30	INJECTION SITE
NOTES	JUST AFTER LUNCH @ 1:30	F

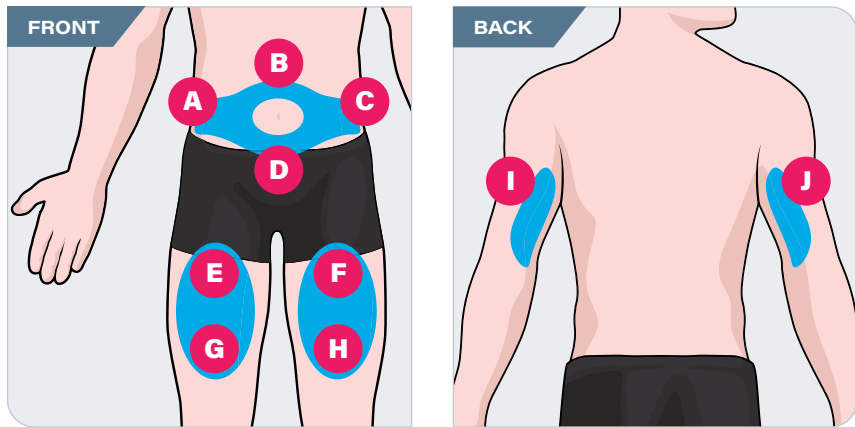

Feel free to record any notes such as time of day or how you feel.

Remember to use a different injection site every time.

● = INJECTION SITE

IMPORTANT: Changing injection sites helps to prevent irritation and allows the medicine to be completely absorbed.

● = INJECTION SITE
